

# Circular walk starting from the campsite

From the campsite turn left into the road leading into Beddgelert. After approx 400 metres, turn right at footpath sign, along track.

Continue along track, and over step stile.

Just after house on left turn right up the hill following footpath sign.

Enter woods by the metal gate.

Follow path through the woods

Leave woods over rickety stile.

Follow path through gap in wall and up the hill.

Path levels off.

Turn right to cross over stream. then left, keeping the stone wall to your right.

Follow the stone wall, turning right at the corner.

Turn right at footpath sign, through the kissing gate and follow path down the hill.

Go through the gap by the iron posts and turn left into woods.

When in the woods be careful to follow path to left, NOT clearing to right.

Leaving forest continue to follow path downhill to wooden gate.

Follow path down hill, until you reach a gate with an old building on the left

Go through gate. Turn right along the lane.

Turn left into field at footpath sign, through kissing gate.

Aim for stile on far wall.

Go over stile, follow wall on the left.

Go over the almost hidden stile, in corner of the field.

Go diagonally across the field to the stile.

Go over stile, then turn right and go over the bridge.

Immediately after crossing the bridge, go over stile on left

Turn left and follow path keeping wall on left.

Turn left through iron gate and follow path gently upwards (it gets a bit marshy here!)

At top of rise follow path past small sign down to gate.

Go through gate or you can climb over the stile if you prefer! Follow path down to railway crossing.

Go across railway - remember that trains have right of way!

Follow path through gap in wall and then aim for the footbridge.

Cross footbridge. At road, turn right. Walk along road back to Silver Birches Camping.
